

November Seminar

The committee is pleased to announce that the Members only seminar for this year will be held in McLaren Vale. This region was chosen because there has always been such strong support from our membership base in that area.

Where: Serafino Wines, Kangarilla Road, McLaren Vale
When: Friday 25th November from 8.30am- 12.30, followed by lunch
Cost: Free!

Dinner: There will be a dinner held the night before at Oscars
Where: 201 Main Road McLaren Vale 5171
When: Thursday 24th November 7pm
Cost: Free to seminar registrants
What to Bring: One nice bottle wine (Food and BYO free, other drinks at own expense)

Accommodation is available at the seminar venue and a discount is available for Interwinery members.

Please contact the venue directly and make sure that they know that you are attending the seminar.

Telephone 08 8323 8911 or book through the website www.serafinomclarenvale.com.au

Program

You will all be pleased to know that Laccase analysis and dealing with disease pressure will be high on the list of topics for this seminar.

Reviewing the Analysis results over the last year, and of course the formal AGM will also be a part of the seminar. For more information about the program, please visit the website.

Please remember to register before Tuesday 22nd November for catering purposes.

Other news...

Web Site Members Forum

Just a quick reminder about our members only forum. Currently there are 30 topics being discussed, with some useful hints and tips from your fellow members. Log on details are the same as the members section of the website, then enter your lab number and Z-score. Feel free to contribute to this great on-line resource.

2012 Membership

The 2012 membership fees will be sent out in the next week and the samples will be sent out to those who have paid in early December. We have introduced a late fee of \$50 for members

by sending the samples in individual consignments. Even though there has been an increase in the costs, the committee has decided to leave the membership fees at \$350 the same as previous years. Unfortunately the overseas freight has increased such that we have had to pass these extra costs on.

Committee Members

Sarah Dswonitzky has recently resigned from the committee. Holding the role of treasurer for a number of years now, Sarah's contribution to the group was massive and her knowledge and enthusiasm will be sorely missed. Thanks to Sarah for her efforts on behalf of the Group

Sharon Lane will be stepping up into this role, however we are currently seeking more committee members, particularly those with an interest in statistics and IT.

Change of Bank details

Please note that earlier this year the Group changed banking providers to take advantage of better fee structures and higher interest accounts. Our new bank details will be on the invoice so please make sure that you alert your accounts department to these new arrangements. The old bank account will remain open for the time being just in case...

AMEX facilities

You will be pleased to know that the Group will soon be able to offer AMEX processing facilities in addition to the current Visa and MasterCard facilities already available.

New Members

It's been a long since the last Newsletter (One of the downsides of a volunteer committee!) and we are happy to welcome 12 new members! For a full list of our current members, please visit the Interwinery website.

They are:

Member number	300:
Winery:	West Cape Howe Wines
