Attending Dinner (tick for yes)

This year we will again be having a social gathering on the night before the seminar. We are still in negotiations with several organisations, however we may be back on the houseboat or looking at a brewery tour and dinner afterwards. Either way it will be a good night. The more eager people can then venture to the Sandbar club or the Irish Pub across the road from the hotel!. Invoices will be sent.

Any dietary requirements for the Seminar Lunch? _____.

PAYMENT

Members attending the seminar dinner will be invoiced once registration has been received.
